

ATTENTION

ALL (RESIDENTS) OF HIGHLAND PARK AREA 4

We know that you will be happy about the news that **Parking Lot Services** will be performing (**milling/paving**) on the above-mentioned property. These improvements will provide a fresh new look to your parking lots, roadways which all of you will be proud of.

To provide this quality service to you, it will require blocking off the work areas during the following days (Weather Permitting):

AREA/Scope of Work:	DAYS:	DATES:
SEC 1 – MILLING	Wednesday	March 2 nd , 2022
SEC 1 – PAVING	Tuesday	March 8 th , 2022
SEC 2 – PAVING	Wednesday	March 9 th , 2022

Unfortunately, any vehicle in the blocked off areas after 8:00 A.M. on the above-mentioned dates, may require towing at the owner's expense. With your cooperation, we don't foresee this situation occurring.

Parking Lot Services cannot be responsible for damage to cars parked within a 50-foot radius of the barricaded area. **Parking Lot Services** is not responsible for damages and/or injuries arising from people and/or vehicles entering barricaded areas. **Parking Lot Services** is not responsible for liability arising from barricades being removed by others.

We will complete the work as soon as possible, subject to weather conditions. If the schedule changes, you will receive new notices with the new date.
